

SERGI SOLANES VILANOVA

4th year student Lighting and Compositing

PROFILE

I'm currently studying my 4th year of Animation & VFX in LaSalle Barcelona.

I have developed skills as a 3D generalist. But my main areas are Lighting, Compositing and Look Development.

I grew up admiring the art of the visual films and I would love to be part of this fascinating world.

I consider myself a hard-working person who is eager to learn as much as possible. I like working with a team, sharing ideas and getting fully involved in the projects.
